Mark:

The best time for DNR and DATCP is Thursday 4th at 9 or 10 am.

Attending in addition to myself will be:

Russ Rasmussen – DNR
Cheryl Heilman – DNR
Keith Ripp – DATCP
Paul Dedinsky – DATCP
Sheri Walz – DATCP

I have copied everyone from our side on this e-mail so if you could reply to all when you respond with a date and time that would be helpful.

Thank you

Duncan

Subject: WDNR to DATCP, CAFO Transfer

Greetings Duncan,

I am the EPA lead on the transfer of the NPDES CAFO program from WDNR to DATCP. When EPA received the regulatory crosswalks there was discussion about setting up a call to get the ball rolling. I am suggesting we look at the mornings of Oct 2 or 4 for the call. Additionally, I am not aware of all the parties needed on Wisconsin's part so your direction would be most helpful. If you have any questions or think I should make this inquiry of someone else, please let me know.

Thank you,
Mark
